SSEAC Approvals

There have been many requests by both school districts and union locals to receive information with respect to what submissions have been approved by the SSEAC. This bulletin contains three MS Excel spreadsheets that outline the approvals for Labour Market Adjustments, Skills Enhancements and Apprenticeship Opportunities as of March 7, 2008.

Attachments:

1. Labour Market Adjustments Form 17 & 18
 - This chart shows how much of an LMA that was requested and what was approved as well as the annual cost
2. Skills Enhancement Fund
 - This chart shows how much money has been allocated to each school district and union local
 - Dollars will be funded to school districts once training is completed and invoices are provided
3. Apprenticeship Opportunities
 - This chart shows the apprentices that have been funded in principle
 - Funding will be released annually based on registration of the apprentice
